

## JULIAETTA DOINGS IN PAST WEEK

MRS. ERVIN MABBOTT  
Phone 8-2649

### Hosts at Pinochle Party

A dinner and pinochle party was held Saturday evening in the home of Mr. and Mrs. Wally Fleming. Guests were Mr. and Mrs. Harlan Fey, Mr. and Mrs. Herb Millard, Mr. and Mrs. John Cuddy and Mr. and Mrs. Glen Wegner. At pinochle play Mrs. Fleming and Herb Millard, as partners, held a thousand aces. This was a delayed Christmas party — so the weather obliged with plenty of snow.

### New Arrival

Mr. and Mrs. Eugene Burch (nee Donna Mabbott) became the parents of a 7-pound and 7-ounce boy Friday evening, Jan. 27, at the St. Joseph's Hospital in Lewiston. The baby has been named Michael Ray. He joins a brother, Terry Lee. All concerned are doing nicely.

### TV Emergency Here

All Juliaetta TV set owners are asked to pay their dues, either at Ted's Service Station or to one of the following on the collection committee: Mrs. Harvie Shepherd, Mrs. Ervin Mabbott, Ted Peters, Mike Hedler or Lude Groseclose. If it cannot all be paid at once, arrangements for payments can be made, as it is necessary to know how much money will be available by March 25. The deadline for the company is April 1st.

This poses a real emergency for everyone.

### Honor Newcomer

Twenty-one friends and neighbors called on Mrs. Harold Freeman Tuesday afternoon to welcome her to Juliaetta. The callers presented her with a table lamp.

Refreshments were served after an afternoon of visiting and getting acquainted.

Hostesses were Mrs. Harvie Shepherd and Mrs. Ervin Mabbott.

### Rebekahs Meet

The Rebekahs held a pot-luck dinner for members and their families Sunday in the Rebekah Hall at Juliaetta.

### Other News

Mr. and Mrs. Ed. Galloway and Mr. and Mrs. Fred Silflow were Thursday evening callers in the R. W. Fairfield home.

Mrs. Edith Fairfield and daughter, Mrs. Don Nickelson, of Pullman, were Saturday afternoon callers in the home of Mr. and Mrs. R. W. Fairfield.

Mr. and Mrs. Gary Eggers and sons were Friday over-night guests of Mr. and Mrs. LeRoy Steigers and family at Gifford.

Mr. and Mrs. Monte Munn and sons of Lewiston Orchards were Sunday guests in the Onal Cope home.

Mr. and Mrs. John Groseclose and daughter and Mrs. Adrian Johns and daughter were week-end visitors at Coeur d'Alene.

Saturday evening dinner guests of Mr. and Mrs. P. K. Puckett were Mr. and Mrs. Billy Wilson and Mrs. Lillian Wilson, the latter of Lewiston.

Mr. and Mrs. Sam Widmer of Osborn, Idaho, spent Saturday night and Sunday night at the Henry Brammer home. Mr. and Mrs. Carl L. Wegner, Pullman, were dinner guests on Sunday. Both women are sisters of Mrs. Brammer, and all were here to attend the Golden Wedding Open House Sunday, honoring the Brammers.

### At Our Schoolhouse

Visitors the past week in the first grade class taught by Mrs. Callison were Mrs. Marvin Silflow, Mrs. Edgar Lackey and Mrs. Ray Hudson.

Mrs. Dennis Racicot brought cup cakes and ice cream to the fourth grade children last Wednesday, in honor of Victor Racicot's 10th birthday anniversary.

## SCHOOL BUS IS CROWDED OFF ROAD

Last Friday evening, while delivering children to their homes, a big school bus of Joint District No. 283, driven by Dick Benjamin, was crowded off the road by a pulp truck. E. M. White, village marshal, said, but luckily remained upright on the highway shoulder, was undamaged, and able to regain the roadway by itself.

Mr. Benjamin caught the name on the side of the big truck, and of course a warrant was issued for the driver. So far as we know, at this time, no hearing has been held.

## NEW ARRIVALS

### SCHROEDER

Born to Mr. and Mrs. Reinhardt Schroeder, Sunday, January 29, at the St. Joseph's Hospital, Lewiston, a son, weight 8 pounds, 2 ounces. He has been named Ralph Reinhardt. The little fellow is their first child. All concerned are doing nicely.

## 50TH ANNIVERSARY OF HENRY BRAMMERS RENEWS PLANNED ELOPEMENT MEMORIES

MR. AND MRS. HENRY BRAMMER

Henry Brammer and Frieda Meyer, eloping to Spokane 50 years ago, were intercepted by her parents, and induced to return to Cameron for their marriage. The ceremony was performed February 1, 1911, in the Emmanuel Lutheran Church at Cameron.

Mr. and Mrs. Brammer observed their 50th anniversary on Sunday, January 29, with an Open House, from 2:00 to 5:00 p. m. at the Zion Lutheran Church in Juliaetta.

Assisting at the reception were sisters and sisters-in-law of Mrs. Brammer — Mrs. Carl L. Wegner and Mrs. August Brammer, who poured punch and coffee, and Mrs. Sam Widmer and Mrs. Herman Meyer, who cut and served the beautiful four-tiered wedding cake, which was baked by Mrs. Adolph Denner.

Rhonda Brammer and Rayner Havens took charge of the guest book, and Mr. and Mrs. Ted Havens and Ira Havens unwrapped and displayed the gifts, and assisted in serving the many guests.

The beautiful flowers which graced the tables were gifts from relatives and friends, and offered a welcome contrast to the wintry weather. And, despite the snowy, slippery roads, over one hundred and twenty-five guests came to congratulate the couple. Long distance calls and cards came from out-of-town relatives and friends unable to attend.

Mrs. Carl L. (Anna Meyer) Wegner, Mrs. Aug. O. (Elsie Silflow) Wegner, and August Brammer, three of the original wedding party were present. The fourth was the late August Meyer, a brother of Mrs. Brammer.

Hosts were the Brammer's sons and daughters-in-law, Mr. and Mrs. Ernest Brammer and Mr. and Mrs. Werner Brammer, and their son-in-law and daughter, Mr. and Mrs. George (Martha) Havens. They also served supper to some forty relatives and close friends to complete the festivities.

Out of town guests included Mr. and Mrs. Carl L. Wegner, Pullman, Wn.; Mr. and Mrs. Sam Widmer, Osborn, Ida.; Mr. and Mrs. Aug. O. Wegner, Pullman, Wn.; Mr. and Mrs. Carl Finke, Orofino, Ida., and Mr. and Mrs. Ted Havens, Lewiston.

As children of German immigrant settlers, the Brammer and Meyer families lived in adjoining sod dugouts on adjacent homestead claims at Luddell, Kansas, her birthplace. He was born in Germany in 1881, and came to the United States with his parents in 1883.

When Frieda was 4, her parents, Mr. and Mrs. Henry Meyer, came west by train and wagon to Cameron. Henry came to Cameron a few years later with his parents, Mr. and Mrs. Henry Brammer.

Recalling recently the difficult wagon trek from Genesee to Cameron, Mrs. Brammer told of the concern she felt when their cow, tied to the wagon, fell on the rough road and was dragged behind the vehicle.

The young couple grew to adulthood in the same community. The families became charter members of the Emmanuel Lutheran Church when it was established. It was there they were confirmed. A romantic interest, awakened in their teens, blossomed into love and culminated in their marriage in the same church.

The newlyweds established their first home at Geyes, Mont., near where Henry and his brother, August, had homesteaded. A daughter, Martha, was born to them there.

After two years the family returned to Idaho, settling on a 40-acre farm near Cameron, where their sons, Ernest and Werner, were born.

Later a larger farm, at Southwick, attracted the family, and they moved there, making their home on it until 1941, when they retired.

Mr. and Mrs. Brammer moved first to Kendrick, and then to their

present home at Juliaetta.

Mr. Brammer has been very active in farm community programs. He served on agricultural committees of many types from 1932 until his retirement in 1941. He helped to organize the Rural Electrification Administration program in Nez Perce county during the late 1930's.

Both Mr. and Mrs. Brammer have been active in Zion Lutheran Church activities. He has served as a church officer, and she as the organist and a Sunday School teacher.

The couple have three children: Martha (Mrs. George Havens); Ernest and Werner. There are seven grandchildren and two great-grandchildren, all of which were present for the Golden Anniversary observance.

## RASH OF ACCIDENTS FOLLOW SAT. SNOW

Five cars were involved in accidents Saturday night, following the season's first real snowstorm — but luckily no serious personal injuries resulted.

The most damaging, at least so far as vehicles were concerned, was the collision of a 1958 Dodge sedan, owned and driven by Wm. Johnson, with his wife as a passenger, and a 1960 Dodge sedan, owned by Bob Magnuson, and driven by his son Robin, with Dee and Dana Magnuson as passengers.

A Wallace home on West Main Street. Both vehicles were moving slowly, but on the extremely slippery road could not be controlled, and they met almost head-on.

All the occupants received a shaking up, and Mrs. Johnson a cut lip and chipped tooth. Damage was estimated at from \$400 to \$600 on each car.

A car owned and driven by Emil Silflow and a Jeep owned and driven by Ed. Mielke slid into each other on the snowy street. No one was injured, and damage was very minor.

In addition a car occupied by three young men from Pullman, and bound for Orofino, slid into the side of the Potlatch river bridge at the foot of the Wauncher Gulch grade. Their names were not learned, as no one was injured, but damage to the car was estimated at \$150.00.

Several cars also slid into ditches with minor damage. No one was injured in these latter accidents.

## V. F. W. SLATES INITIATION FEB. 9

Baker-Lind Post No. 3913, Kendrick, will hold an open meeting on February 9, at which time the Moscow ritual team will perform the Initiation Ceremonies for new members of the Post.

The time has been set for 8:00 p. m. Refreshments will be served at the close of the meeting.

The Post is also planning a public auction of items from the old school house on Saturday, Feb. 4, at 1:30 p. m.

## WATCH PARKING

E. M. White, village marshal, is requesting all who park on Kendrick's streets, to please pull in closer to the curb. Many, due no doubt to slush-filled gutters, have been parking as much as four feet from the curbs.

Bill says he doesn't want to issue anyone tickets for parking illegally — so please get in closer.

## PACKAGE CANDY

The Evening Circle of the Kendrick W. S. C. S. packaged candy for the boys in the Service and students away at school, at the home of Mrs. John Deobald, Monday evening.

## SOUTHWICK FOLK ARE BUSY ONES

BY MRS. DON CANTRIL

### Snow Falls On Area

Over the week-end this area was covered with about six inches of snow, but temperatures moderated, bringing rain — which has continued to fall for well over 24 hours. At this time, the rain continues, and it's a bit hard to realize that a day or so ago, so much snow covered the ground.

### Homemakers Club Meets

The Southwick Homemakers Club met Thursday for an all-day session at the home of Mrs. Don Cantril.

After dinner at noon, a business meeting was held. The annual Valentine party will be held on Feb. 9 at the home of Mrs. Roy Martin. This is an evening meeting, and Heart Sisters for the year are revealed.

### Canadian Guests

Week-end guests in the homes of Mr. and Mrs. Roy Gertje and Mr. and Mrs. Don McIver and Mrs. Stella McIver were Mr. and Mrs. Archie McIver and Mr. and Mrs. Wm. McIntosh, of Hazelet, Canada. While here they also visited with other relatives and friends.

### Other News

Sandra Cantril accompanied Reggie Wegner and Robin Magnuson home on Thursday from the College of Idaho, and all spent their between-semester vacation with their parents. All returned to school Tuesday morning, with classes to resume Wednesday.

Mr. and Mrs. Jack Mustoe were Sunday dinner guests of her parents, Mr. and Mrs. Wilbur Colwell, at Lewiston.

Mr. and Mrs. Don Cantril and Sandy were Friday evening supper guests of Mr. and Mrs. Glen Wegner, and on Saturday were guests in the Bill Weyen home.

Mr. and Mrs. Milton Benjamin attended the Fellowship Meeting at Clarkston, Sunday, of the Pilgrim Holiness Church.

Mr. and Mrs. James Whittinger and Janis were recent evening luncheon guests of Mr. and Mrs. Roy Silflow at Cameron.

Wednesday evening, Mrs. James Whittinger and Janis visited with Mrs. Ernest Brammer and Jolene.

Monday evening, Mrs. Jack Mustoe and Mark visited with Mrs. James Whittinger and Janis, while their husbands bowled in the tournaments at Lewiston.

The Southwick Community Church Missionary Society will meet Friday for an all-day session at the Sunday School room at the church. "Q" and "R" is scheduled for this week's mission box. Everyone is to bring a box lunch.

Sunday evening supper guests of Mrs. Stella McIver were Mr. and Mrs. Archie McIver and Mr. and Mrs. Wilbur McIntosh of Canada; Mr. and Mrs. Roy Gertje and David, Mr. and Mrs. Gary Gertje and Ricky and Mr. and Mrs. Don McIver and family.

## "MOMS" WIN AGAIN OVER H. S. GIRLS

The "Sure Shot Moms" put on a final desperation surge and downed the Kendrick High School Girls' Team last Thursday night by a score of 24 to 22.

The Moms trailed at the end of the first two quarters, but managed to outlast the girls, as the score was knotted 18-18 and 22-22 at the end of the third, and final quarter of play.

The game then went into a "sudden death" overtime, and the Moms managed to get the winning basket. Girls' Athletic Director, Mrs. Ed. Stitzlein, said the game was truly a thrilling one, and tension was high. "This game was a re-match after the Moms beat the Girls' P. E. Class in a March of Dimes benefit the week before.

Luther Parks and Burton Bowen were the officials at the contest. Dennis Racicot coached the Moms, and Marion Harrison and Wesley Andrews coached the High School Girls.

## SILVER WEDDING

Mr. and Mrs. Walter Denner of Juliaetta will be honored at an Open House observance of their Silver Wedding Anniversary at their home on Fix ridge, Sunday, Feb. 12, from 2:00 to 5:00 p. m. An open invitation is extended to all their friends and relatives.

Hostesses will be Mmes. Tom Denner, George Denner, Adolph Denner and Herbert Schwarz.

## LAPWAI TIPS TIGERS 47-34 TUESDAY EVE.

Lapwai controlled the backboards in the second half and raced past the Kendrick Tigers to a 47 to 34 victory at Lapwai Tuesday night.

Despite the 11 point efforts of Fred Foster and Marion Harrison, the Tigers were unable to cope with Lapwai's superiority of the boards. Halftime score was 19 to 14 for Lapwai.

Lapwai also defeated the Tiger B squad in the preliminary game, 47 to 43.

## JULIAETTA TV ASSN. SEEKING SUPPORT BY ITS VIEWERS

At a meeting of the Juliaetta T. V. Association, held Wednesday night of last week, some 67 persons in attendance were told that it was going to cost about \$50.00 per set to modernize and legalize their present T. V. reflector system.

Pressing regulations by the F. C. C. (Federal Communications System) are posing a big problem to viewers of that type system at Juliaetta.

The purpose of the meeting was to determine what should be done to modernize to the V. H. F. translators governed by the F. C. C.

The majority favored putting the reflector into operational accordance with the requirements and authorization of the F. C. C. To do this, "noses were counted" and it was determined by the committee that each T. V. set owner would have to contribute \$50.00 to raise the needed funds. The group voted to incorporate and raise the money required to operate under the new rulings.

The cost of the modernization will be about \$1,500 per channel, or \$4,500 to \$5,000. (This is an estimated figure). It was also brought up at the meeting that the people of Juliaetta have enjoyed better than average T. V. at an extremely low cost. They also noted that they hope to continue good service at a nominal charge, but something has to be done, or the F. C. C. will close down the present operation.

A collection committee was appointed, headed by Dennis Racicot, and includes: Mrs. Ervin Mabbott, Mrs. Harvie Shepherd, Lude Groseclose and Ted Peters. They are expected to be calling on all TV set owners in the reflector's range within the next few days.

## HAPPENINGS AT THE LOCAL SCHOOL

### Kendrick Kittens Take Bulldogs

Kendrick defeated Genesee in a hard fought basketball game here Wednesday. The contest was fairly close all the way, with the Kittens breaking it open in the second half.

The Bulldogs were ahead most of the first half, with the half-time score favoring them 13-8. Kendrick came back strong during the second half and led at the end of the third quarter 21-17.

The high point men for Kendrick were Silflow with 10 and Polumsky with 9. For the Bulldogs, high point men were Grieser with 5, and Vestal, Hampton and Hillman with 4 each.

## TIGERS TIP INDIANS 42-41 SATURDAY EVE

The Kendrick Tigers fought for and held a marginal lead throughout most of a contest Saturday night that saw them eek out a win over the Nezperce Indians here by a score of 42 to 41.

Bill Blewett sank a field goal with 30 seconds left in the game to provide the victory margin.

The Tigers took an early lead, but nearly lost it several times on the sharp shooting from the foul stripe by the Indians. Kendrick led 18 to 16 at the half-time.

Fred Foster topped all scoring with 15, while Bob Harris of Nezperce tallied 11.

This was Kendrick's third win in 11 starts this season. Nezperce won the B squad preliminary 43 to 38.

## V. F. W. AUX MEETS THURSDAY EVE

The V. F. W. Auxiliary, Post No. 3913, met Thursday evening, Jan. 26, in the Fraternal Temple, with nine members present.

It was decided at the business meeting to sponsor a Goodwill Drive in Juliaetta and Kendrick area. Mrs. Pearl Meiser of Clarkston, manager of the Goodwill Industries for this area says that "anything you don't want, that is in good condition, they will be glad to have." She gave as examples: Furniture, lamps, pictures, dishes (any form), shoes, or any form of clothing, dolls (any sort, if repairable) or anything that you wish to give.

In Juliaetta, you may leave your items at Georgia & Ray's Cafe, or call any Auxiliary member as follows: Mrs. Anna Weber, Mrs. Mary Fleming or Mrs. Iona Calkins.

In Kendrick call Mrs. Hazel Candler, Mrs. Bette Deobald, Mrs. Anna Long, Mrs. Francis Fry or Mrs. Bertha McCall. Any acceptable items will be picked up.

It was also decided that the Auxiliary would sponsor a Brownie or Girl Scout Troop if enough girls and mothers are interested. When more information is received on this matter, a meeting will be called. The age groups of Brownies are 8 to 10, and Girl Scouts 10 to 16.

There will be no business meeting on Thursday, Feb. 9th, as that is Open Meeting and Initiation.

they disappeared under a white mantle of snow measuring about 3½ inches in depth, Saturday night and early Sunday morning.

However, Sunday afternoon the temperature began to climb, and rain to fall, and our streets and highways became a sea of slush, despite the best efforts of local snowplows. Rain fell intermittently during most of Monday, and by Monday night Kendrick Main Street was bare throughout the traffic lanes, but deep in slush along the gutters.

Rain continued to fall pretty steadily, and at times almost in a deluge, most of Monday night and Tuesday, and by Tuesday afternoon the Potlatch river was rising rapidly, and beginning to show a chocolate color. As the snow in the back areas gives way before the rain, more and more water is expected in Bear creek and the Potlatch.

## Spend Exciting Week In Chicago

Two University of Idaho students and two high school seniors were part of the Idaho delegation recently returned from the National 4-H Club Congress in Chicago.

They won free trips to the event for being judged the state's top 4-H'ers in safety, recreation,

tractor and dress revue programs for 1960, according to the Cooperative Extension Service.

The General Motors safety award went to Anne Yenni, 17, of Southwick, a student at Orofino High School.

Her safety project included making a weekly radio broadcast on safe driving, swimming, and use of farm machinery; writing newspaper articles; organizing a Clearwater county first aid school; assisting at the bloodbank; and making r

to see how many homes were equipped with fire extinguishers and first aid kits.

Anne is the daughter of Mr. and Mrs. Wayne Yenni.

Veri Peterson, 16, of St. Anthony, a young sheep rancher, was winner of the 1959 and 1960 senior state tractor driving championship, and the 1958 state junior driving contest. He has also won awards for his tractor maintenance program.

Peterson, a student at South Fremont High School, was the guest in Chicago of Utah Oil Refining Co. He is the son of Mrs. Cleo Peterson.

The John Deere recreation award was won by Sharon Fay Paynter, 18, of Payette; a student at the University of Idaho.

In addition to several other 4-H projects, Miss Paynter has been in charge of her club's recreation program for three years and has arranged the yearly 4-H mothers' tea. She also was campaign manager for a Payette county girl who ran successfully for state 4-H office.

Sharon, president of the Payette county 4-H Council, is the daughter of Mr. and Mrs. Hugh Paynter.

Linda Joan Scoville, 18, of Potlatch, a University of Idaho student, was winner of the dress revue trip, sponsored by Simplicity Pattern Co.

Her winning garment which she made and modeled was a green plaid walking suit with a three-quarter length coat.

Miss Scoville's other 4-H interests include painting, cooking, dairy, electricity and automotive projects. She is treasurer of the Latah county 4-H Council. Her parents are Mr. and Mrs. Wil Scoville.

## School Notes

Sixth Grade — We held a class election last Friday afternoon. We are having 1. E. Tests Friday. Two of the women helping the Health Nurse are Mrs. Farrington and Mrs. Hoisington. We are doing Electric experiments for Science.

## Fifth Grade

Mrs. Henry Galloway, our Room Mother, was a visitor in our room on Monday.

Friday the fifth grade pupils watched the inauguration on television, in the sixth grade room.

A unit on Alaska, the forty-ninth state, has been completed by the fifth grade pupils. The unit included the study of the people in relation to their climate, means of transportation, rivers, mountains, products, minerals and cities. Drawings depicting Alaska were made by the pupils. Class officers elected for the second semester are: Carol Farrington, president; Janet Schmidt, vice president; Carolyn Silflow, secretary; Dean Weyen, treasurer; Gary Draper, reported; Roger Witt, sergeant-at-arms; Danny Supple, Joe Guier and Gary Pea, librarians.

Pupils having perfect attendance records for the first semester are: Janice Galloway, Janine Hoisington, Gary Pea, Carolyn Silflow and Daniel Supple.

Pupils having perfect attendance for the last nine weeks are: Carol Farrington, Roger Witt, Joe Guier, Orrin Riebold, Janet Schmidt and Dean Weyen.

## Third Grade

Mrs. Henry Galloway was a visitor in the third grade room on Monday.

## Second Grade Room

On Tuesday, Marlene Anderson made a very interesting and informative talk on bees. She told of their habits, their care, and the work of extracting honey.

Mrs. David Clayton and Ray visited our room on Wednesday.

A new pupil, Vickie Gilliam, was enrolled in our room on Wednesday, which now brings our number to 27. Vickie came to us from the Osborn school.

Mrs. Robert Hutheson brought ice cream and cup cakes for the children on Thursday, honoring Nancy's birthday anniversary.

The "Cherry Street" group, this week has begun the "Friends and Neighbors" group with new readers and work books.

Eric Southwick is our host for the week.

## Grade One B

The following children had perfect attendance for the quarter: Joyce Heimgartner, Kay Clemenhagen and Jimmy Osborn. Jimmy Osborn had perfect attendance for the semester.

Mrs. Marvin Silflow was a visitor in our room Monday morning.

## First Grade

Since Mary Lou Cann enrolled in our room (Mrs. Perryman's), we now have 20. The total enrollment of the two first grade rooms is now 39.

Mrs. Kenneth Wilken and Mrs. Luther Parks visited our room recently.

Dale Alexander brought an "Ant Farm" to school, which has added much interest to our Science studies.

We found a big black widow spider last Tuesday. It was nicely settled in a web by the flue, near one of the windows our first grade room.

Those having perfect attendance during the second quarter are: Roger Candier, Debbie Dammarell, Becky Eichner, Bobby Elliott, Betty Farrington, David Wilken, Nancy Lee Parks, Billy Wahl and Carolyn Knight.

Those having perfect attendance during the first semester are Carolyn Knight and Billy Wahl.

If you have ever vowed to increase the amount of storage space in your workshop, a nut-and-bolt bin designed at the research center could be the answer to some of your problems.

The project can be constructed with two basic portable electric tools—circular saw and sander—and enables you to classify all nuts, bolts, wire, piping, etc., by size and importance.

Standard length of the bin is 3 feet, but this can vary by doubling or trebling the dimensions specified in the free plans available on request. The bin has 24 openings of two different sizes.

Nut-and-bolt bin is answer to workshop storage problems.

Since a good deal of the material in this nut-and-bolt bin is identical in size—1-inch lumber in varying widths is used—the electric saw can handle two pieces at a time by clamping the wood together.

Edges which require beveling are cut singly, but this is no more difficult than the sawing of a straight line with the adjustable slipper plates of today's electric saws. The plate is set at a 45-degree angle and the cut made in one pass.

Parts of 6-inch-high partitions are clamped together and cut simultaneously.

In any construction where angles are important to final appearance, it is important that all parts be checked and perfectly matched. Once the square of the bins has been checked, all of the material is sanded lightly with an orbital sander and fine production paper before assembly.

Once nailheads have been countersunk and the glue is dry, the exposed areas are round off with the electric sander and the bin is ready for a coat of paint and its contents.

## GOLDEN RULE

BY ALMA BETTS

Jan. 24 — Mrs. D. V. Kuykendall attended the Cavendish Woman's Society of Christian Service at the home of Mrs. Wm. Reece, Tuesday.

Alma Betts called on Mrs. Don Cantril and Mrs. James Whittinger, Tuesday afternoon.

The Albert Lawrence family were supper guests of Mr. and Mrs. Roy Martin, Wednesday evening, and spent the evening watching TV.

Mrs. Russell Perkins called at the Cantril, Crutcher and Betts homes Thursday.

Gene Kuykendall and daughters spent Thursday in the D. V. Kuykendall home, helping butcher. Herman Kuykendall was a caller Saturday.

Mr. and Mrs. D. V. Kuykendall drove to Lewiston Sunday to be dinner guests in the Harman Kuykendall home.

Chester Martin came up from Lewiston Thursday and took Mr. and Mrs. Roy Martin to Kendrick, where she called to see Dr. Christensen. She has been on the sick list, but is improved at this time.

Mrs. Bruce Tarbert and children spent Saturday and Sunday in the Martin home. The Martins went home with her to spend a few days.

Mr. and Mrs. Jim McKinney and her mother, Mrs. Elmer Lundblad, of Orofino, visited in the Albert Lawrence home on Thursday.

Alma Betts and Russell Betts were Orofino visitors Thursday, and dinner guests of her daughter, Mrs. Don Christensen.

Mrs. D. V. Kuykendall and Alma Betts attended the Baby Shower at Teakean, Thursday evening, honoring Mrs. Homer Marvin.

Mrs. D. V. Kuykendall and Mrs. Albert Lawrence, from our community, were among those gathering at the home of Mr. and Mrs. Olaf King to help them celebrate their 40th wedding anniversary, Saturday eve.

Mr. and Mrs. Albert Lawrence and children spent Friday evening visiting in the Don Fish home.

Mr. and Mrs. Bud Adamson of Kooskia spent the week-end with her father, Fred Stage, Saturday afternoon. Mrs. Adamson and Gayle, Fred Stage and Daisy called on Alma Betts.

Albert Lawrence spent Sunday evening in the Betts home.

Herman Beyer has returned to the home of his brother, Emil Beyer, here. He had spent some time in

Wisconsin.

Alma Betts spent Monday afternoon with Mrs. Fred Schoeffler, helping to honor her birthday.

The Cavendish Ladies Club is planning a rummage sale, Feb. 4th, at the Orofino Methodist Church basement.

L. L. Yenni and Wayne called at the D. V. Kuykendall home Monday.

Mrs. D. V. Kuykendall went to Cavendish Monday to quilt. The women are quilting every Monday. Anyone wishing to help is welcome.

## SEND GREETINGS

We are taking this way to thank those who sent the lovely Anniversary cards for our 50th Wedding Anniversary. It was a lovely day here at Esccondido, and all enjoyed the occasion very much. It would have been still happier if you folks could have been here also. We enjoyed our trip to Lewiston in June, which seemed to take the occasion of Homer and Alice's 40th Anniversary to get us started.

Our time there was too short, and we didn't get to see all those we'd have liked to see. We're still at the same old place; only our street address has been changed to 2315 Citrus Ave. Why not come to see us when you're down this way.

Very best wishes to all. — Bob and Leona McCollum.

## ANCIENT PICTURE

An unusually good picture of Kendrick in the years gone by came to light last week when Jerry Brown, who was doing some photographic work made a print from an old-time negative that belonged to his father, Emulus Brown.

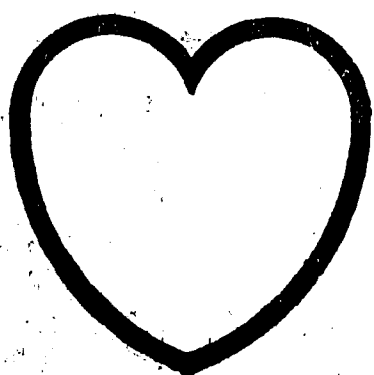

The picture turned out to be one of a Fourth of July celebration at Kendrick, sometime before the big fire.

Floats, flags, a band, grand marshal and all the other appurtenances are clearly to be seen — including one six-horse team, with all the animals pure white. Another "white horse" outfit may be seen in the distance.

The picture was taken looking toward the west, and plain to be seen is the St. Elmo Hotel with its balcony loaded with spectators; the women holding parasols. A large sign of M. C. McGrew is also plainly visible.

Emulus tells us he was the owner of one of the teams in the picture, and that he and a brother are in it.

Why do you trust this man  
to feed your family?

HAVE you ever realized that the most precious thing you buy every day is food? Probably not. Yet your own family's health and well-being depend largely on the quality of food you buy. Your food store dealer never forgets this fact. That's why he's as careful of the food he offers you as he is with the food he takes home to his own family.

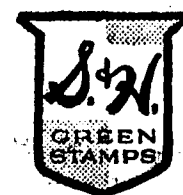

While experience has taught you to rely on him for the best — most wholesome — foods, you likely take for granted his constant check for quality... his investment in new and better foods... and that he brings all of this to you at a price you know is right.

And how rewarding for you if your favorite food store gives you S&H Green Stamps.

You know, of course, that half the families in America save them today.

Your S&H Green Stamps make it possible for you to choose from over 1,500 top-quality, famous brand-name items at your S&H Green Stamp Redemption Store.

YOU CAN WINTER  
CUT POTATO SEED

U. of I. Moscow — Potato seed can be cut and stored during the winter for planting in the spring, Richard Ohms, potato specialist of the University of Idaho extension service, advised the industry. Pre-cutting is a recent development gaining favor in the east and mid-west. It might be a useful practice in Idaho, Ohms said.

Two advantages are cited. It permits cutting as early as February when time is not a pressing factor and labor is available. Seed pieces, thoroughly healed, are not subject to decay and rot caused by adverse weather at planting time.

The procedure goes like this, Ohms said:

Take the seed potatoes from storage, cut them in the usual way, and put the pieces in a conditioning chamber for four or five days. During this healing period the recommended temperature is 60 to 65 degrees with 95 percent humidity and air movement of 10 cubic feet per minute, per ton. A rocking or stirring action is desirable. If the pieces do not agitate, the cut surfaces stick together. In case agitation is not practicable, dusting with disinfecting chemicals such as Captan, Phygon, or B-K powder might be helpful, to prevent the cut surfaces from sticking together.

After healing, the potatoes are put back in regular storage at 38 to 40 degrees until they are wanted for planting.

Ohms said it was advisable for potato growers wishing to try pre-cut

seed, to cut and store only a portion of their seed this season. Further knowledge of the practice is expected from experiments at the Aberdeen branch experiment station.

## ECONOMIC FACTS

The largest potato storage in the world is at Heyburn, Idaho. It will hold three million sacks, and has nearly a mile of conveyor belts. The building is 140 by 600 feet.

Donations of surplus foods by the department of agriculture at home and abroad amounted to 933 million pounds in the July-September, 1960, period. This is one-third more than the amount distributed in the same period a year ago.

Net farm income for Idaho in 1960 may be slightly above 1959, according to economists of the University of Idaho Extension service. General economic conditions for 1961 are expected to be about the same as 1960.

Richard Gabica, Murphy, Idaho, rancher, is Idaho's "Grassman of the Year." The beef ranch he operates was once a homestead on the trail to Silver City.

A kitchen tip from Barbara Brant-hoover, nutrition specialist of the University of Idaho Extension service, suggests dipping scissers in hot water as an aid in cutting marshmallows, dates, and other sticky food. To remove candle wax stain, place the spot between clean white blotters or several layers of facial tissues, and press with a warm iron. Sponge with a grease solvent.

More than 1,000 soil samples from farms in several eastern Idaho counties have been received by the University of Idaho. The counties conducted fertilizer weeks, stressing the benefit of soil samples.

Idaho has about 400,000 apple trees according to the 1960 census of the state department of agriculture. The number of apple orchards has decreased slightly in the last two years. Payette county grows the most apples.

Livestock and livestock products account for about 50 percent of Idaho's agricultural income, according to the University of Idaho extension economists. Wheat contributes about 16 percent, and potatoes only 11 percent.

One-fifth of the potatoes eaten in the United States are grown in Idaho, according to a report by the University of Idaho. National per capita consumption is 103 pounds, of which 19 pounds are from Idaho. This is an increase from 15 pounds of Idaho potatoes in 1950.

Size of the average Idaho farm in-

creased to 451 acres, according to the last agricultural census. In 1954 the average was 370 acres.

Idaho cows in dairy herd improvement Association last year produced an average of 10,046 pounds of milk and 401 pounds of butterfat, both new records, according to G. C. Anderson, dairy husbandman of the University of Idaho extension service.

GIANT RAILROADS  
WISH TO MERGE

St. Paul Minn. — Jan. 12 — Articles of incorporation will be filed Friday in Dover, Delaware, for the Great Northern Pacific & Burlington Lines, Inc.

This is the corporate name chosen for the proposed unified transportation system composed of the Great Northern, Northern Pacific, Chicago, Burlington & Quincy, and Spokane, Portland & Seattle railways.

In a joint statement, the managements of the component lines said filing of articles of incorporation is necessary at this time to pave the way for legal steps required in connection with the forthcoming application to the Interstate Commerce commission and presentation of the proposed unification to stockholders of the two Northern lines, and the Burlington. The two Northern lines jointly own 97.18 percent of the Burlington, and all of the SP&S.

The announcement said the managements expect to file the application to the commission next month, and to call meetings of stockholders to act on the unification in the spring.

For the life of us, we cannot understand why these lines, operating at a profit, wish to merge — unless it is for the purpose of eliminating all competition — and elimination of competition tends toward monopoly — and is contrary to our American way of thinking and life. It behooves everyone to carefully watch this matter, and be prepared to register opposition with the proper authorities.

Once a complete monopoly is developed, it is almost impossible to restore competition with its resultant benefits to users.

Don't think this matter can't affect you — it can!

FOOD BLENDER BIG  
BOON TO BABY'S  
APPETITE

When that very young lady in the high chair blows out the first spoonful of baby food, then obstinately refuses to open her mouth for more, what do you do? Open another jar and try a new flavor? An electric blender provides a much better solution to the fussy-about-food problem.

Many mothers today find they save money by preparing all of baby's food in the electric blender. Babies will often eat foods fresh from the blender that were refused when they came from the jar or can.

Baby foods made in an electric blender taste better and retain more nutrients. They cost less, too. Compare the price of a bunch of carrots, for instance (far more than baby will eat in a day), with the price of a jar of strained carrots. You save, too, by cutting meat from the family roast and preparing the baby's share in the blender.

For variety, try blending two or more vegetables together, or if the baby refuses a nutritious food like spinach, he may eat it blended with a vegetable he likes.

It's not only baby who will enjoy his food more if you have an electric blender. It will help provide nourishing, delicious soups, desserts, drinks and dips for the whole family.

SNOW MOLD IS  
LAWN KILLER

Snow mold can kill out a lawn in the spring, says Harry S. Fenwick, plant pathologist with the University's Agriculture Extension service. Fenwick points out that the disease can be prevented by spraying this fall with any mercury compound using 2 ounces per 1,000 square feet of lawn.

Snow mold grows where snow lies heavy, Fenwick says. Grass near shoveled walks and driveways frequently suffers from it. And the disease has also been known to develop in low areas of excessive rainfall.

Snow mold seems to attack bent and fescue varieties of grass more often than blue grasses, Fenwick said. Snow mold is soil-borne fungus disease and affects winter wheat in some sections of the state.

## A Citizen Speaks For Trading Stamps

An Open Letter To Members of  
The Idaho House Of Representatives

February 1, 1961

Sirs:

For a decade the S & H Green Stamp has been a citizen of Idaho.

In 1950 The Sperry and Hutchinson Company introduced trading stamps to our Idaho families. In the years following S & H has become a very real part of the economic and community life of our state. Its roots are deep in Idaho. Today 2 out of 3 Idaho families save trading stamps.

Last week during the Senate debate on the bill that would virtually kill trading stamps, statements were made to the effect that trading stamps no longer deserved to do business in our state.

This is something for the housewives and merchants to decide. We know that thousands of Idaho families — families that budget their stamps as carefully as they budget their household money — will agree with this.

Before you take action on S. B. 21 this week you should know this about us:

— S & H has forty-one permanent and nineteen part-time employees earning an annual payroll of more than \$175,000 in nine Idaho communities — Boise, Burley, Coeur d'Alene, Idaho Falls, Lewiston, Payette, Pocatello and Twin Falls. (There will be no jobs, no payroll, if S. B. 21 becomes law).

— We have more than \$300,000 invested in inventories, real estate, leasehold improvements and the like. (Idaho loses all of this if S. B. 21 becomes law).

— Our state taxes are about \$15,000 and some \$52,000 is spent in Idaho on truck and rail transportation. Even the U. S. Post Office benefits with postage of about \$2,500. And some \$33,000 is spent on newspaper, radio and TV advertising. (This, too, would be lost to our state if S. B. 21 becomes law).

— Last year Idaho housewives redeemed S & H Green Stamps for everything from blankets to baby buggies, having an average retail value of approximately \$1,500,000.

— In Idaho the total value received by our housewives redeeming stamps — plus payroll, rents, taxes and other expenditures — was equal to the money paid for stamps by merchants. (S & H's profit comes from its ability to make large-scale purchases at lower than retail prices).

When merchants feel the impact of an effective competitive tool like trading stamps they sometimes turn to the legislature to pull their chestnuts out of the fire. Time and again legislative bodies have said that in the public interest this is something that should be left to the business process. It belongs in the market place — not in the legislative halls.

Our Idaho housewives want trading stamps. Hundreds and hundreds of letters are being written to members of the House by women asking that they be allowed to continue to save trading stamps as women have done in our state for many years.

The harsh legislation (S. B. 21) which you will consider this week will banish trading stamps in Idaho.

As a respected member of Idaho's business community for ten years, S & H feels it deserves better.

This letter is addressed to you because we feel the conscientious legislator will make his decision based on facts.

Sincerely,

JOHN C. FINNELL

State Manager for S & H and a resident of Idaho since 1918.

## PARK PATTY

By Mrs. Ben J. Smith

"MEETING?" — The meeting about installing a telephone system, that was supposed to take place before the card party, was attended by only two people. It has been assumed that the residents are not interested.

CARD PARTY — The bi-weekly pinocle party was held at the school house Saturday evening. Those who were present from Deary were Judy Byers, W. D. Kirk and Paul. From Harvard were Mr. and Mrs. Louis Miller and four children. From Park: Mr. and Mrs. Charles Stratton, Linn Enger, Mr. and Mrs. Charles Gudmunsen and Melvin. Mr. and Mrs. Charley Enger and Kathy, Ed. Lord, and Mrs. Jerry Smith and two children. High scores went to Mrs. Miller and Charley Enger; lows to Paul Kirk and Charles Stratton.

OTHER ITEMS — Mr. and Mrs. Louis Miller and children of Harvard were week-end guests of her parents, Mr. and Mrs. Charles Gudmunsen.

Mr. and Mrs. Ed. Lord and children were in Lewiston on business, Saturday.

Mr. and Mrs. J. D. Baumgartner visited in the Jerry Smith home on Tuesday.

George Lawrence of Deary was a Saturday dinner guest in the Smith home. The Smiths were in Helmer Sunday, and in Deary Monday, on business.

## DISCUSS ALCOHOL

Young people of the Juliaetta and Kendrick Methodist Youth Fellowship presented comments and hopes for wise decisions, at the third "Alcohol Study Session" Sunday evening at the Kendrick Community Church. "Miracle," a movie from Bob Jones University was also sponsored by them, and refreshments served after the discussion period.

Officer Roger March of the Idaho State Police will be the featured speaker at the final meeting next Sunday evening at 7:00 in the Kendrick Church. He will tell what it costs us in our locality for rehabilitation and policing of drinking drivers, and other related aspects of the alcohol problem at the county level.

Mrs. Gerald Ingle will also present a summary of the textbook "Stumbling Block" with a discussion to follow. Refreshments will be served, and the public is invited.

## Donations to the 'New March of Dimes' Will Help Prevent Crippling Diseases

Millions of families throughout the United States this month have received March of Dimes "mailers."

If the millions on the receiving end of this gigantic mail operation coast-to-coast and in Hawaii and Alaska have not already done so, now is the time to return the familiar envelope with a donation to the county March of Dimes chapter, local leaders urged this week. The world's largest voluntary health organization is seeking to prevent crippling diseases, with its sights set at birth defects and arthritis and at continued work in polio.

These mailers, which reproduce the campaign theme, "Prevent Crippling Diseases—Please Say Yes to the New March of Dimes," were addressed in great part by selfless volunteers who, by combing through telephone and other directories, were able to "spot" just about every family in their county. Addresses of new homes, not included in telephone books, were obtained by these volunteers from real estate boards, tax lists, from other official records, and from chambers of commerce.

Hopefully, each of the 44 million families in the United States will have an opportunity to help prevent crippling diseases by contributing to the March of Dimes between now and Jan. 31.

The blue mailer contains an envelope with a pocket for a March of Dimes contribution by check or cash and with space for the donor's name and address. A brief message addressed to "Dear Neighbor" explains the expanded program of The National Foundation, and elsewhere on the mailer a few health figures are given. For example, that birth defects cripple one out of every 16 babies in the United States; that arthritis and rheumatism afflict 11 million Americans; and that polio can still strike down any one of more than 85 million unvaccinated persons in the country.

County chapter officials say

"Mailers, mailers everywhere!" says Linda Brees, of Columbus, Ohio, 1961 March of Dimes National Poster Child, as she "models" one of the contribution envelopes. Mailers are to be returned this month to local chapters of The National Foundation to support expanded health program in birth defects and arthritis, and continued work in polio. Linda is recovering from birth defects of an open spine and excess fluid on the brain.

that they "hope our mailer" are desperately needed to finance National Foundation programs of aid to patients, in the form of cash, money orders and checks because of the training of March of Dimes contributions

## TEACHERS EXPRESS "LAW VIEWS"

The following items are digested from the "Legislative Bulletin," published by the Idaho Education Association and "Reports," published by the Unified Education Council. This, and further reports, are digested and prepared by Robert Meserve, Supt. of Schools and Public Relations Chairman, and Elmer Stitzlein, President of the Local I. E. A. No. 283.

"Key legislators in both the House and Senate are talking in terms of more than \$32 million for the public schools — but how much more is the question.

"One representative said he is confident the appropriation for the public schools will be above \$32 million, or \$229.50 per student per year, but he is equally confident that other items within the governor's proposed budget of \$88.1 million must be trimmed to make this possible. A senator volunteered that it looks as if we might be able to get \$38 million, or \$288.00 per student per year, but not much more.

"We are not convinced that \$288.00 per student will be the limit — but much depends upon the wishes of the citizens back home. Legislators are responsive to the electorate — and

Published Weekly by the Union Oil Service at Kendrick  
W. L. "Bill" Rogers, Editor

## HELLO, FOLKS:

Have you noticed how careful the weather bureau is in their predictions these days? If you have, you undoubtedly realize that real winter storms can hit us — so check that fuel oil tank and call us today at 4251. We'll be there in a flash, with Union Fuel Oil Clean! Hot burning!

Wife to husband: "That \$10.00 that was in your trousers pocket last night — did you steal it out of my purse this morning?"

Need a grease job and an oil change? When you do, think of us. We use the proper lubricant for every point on your car, pickup or truck. No guesswork! And you will like our service, too!

"What can I do for you?" asked

the income tax inspector. "Nothing," said the harassed-looking taxpayer. "I just wanted to meet the people I'm working for!"

Does your car, pickup or truck start as it should these wintery days? If not, bring it in for a tankful of Royal 76 Gasoline, and a crackcase of Royal Triton Motor Oil! Feel the difference! They give results!

Heard at a cocktail party: "Don't take another drink, honey. Your face is getting all blurred!"

"You say you have known the defendant all your life," asked the judge. "Do you think he would be guilty of stealing money?"

"How much?" asked the character witness.

## YOUTH ELECTRIC PROGRAM FOR 1961

Working with electricity is fun! You can make things for your home, or the farm, that use electric power. You will be proud of what you build and you may win a valuable prize.

The Youth Electric Program is open to all boys and girls under the age of 21, who are interested in constructing an entry with adult supervision. Members of clubs, organizations and school classes may have their leaders or teachers supervise their entry.

Entries may be displayed at the local county fair. The display and judging at fairs will be held in conjunction with 4-H electrical projects. Prize money will be awarded to five winners in each county.

Further information may be obtained from the Clearwater Power Co., Box 624, Lewiston, Idaho.
