## 150 Years of Marriage

Genesee — Three of the five daughters of Victor and Frances Hasfurther pose here with their respective husbands and represent 150 years of marriage as each of the couples observed their fiftieth wedding anniversary within the past three months. Pictured (left to right) are Mr. and Mrs. George (Dora) Baumgartner, Genesee; Mr. and Mrs. Harry (Martha) Edwards, Lewiston; and Mr. and Mrs. Henry (Mayme) Bronneke, Moscow.

These three Hasfurther girls were all married in the fall of 1920. Mayme and Henry Bronneke were married in Moscow, Sept. 8 of 1920. Martha and Harry Edwards were joined the following November 19, 1920 at Asotin, Washington, and just five days later, November 24, 1920, Dora and George Baumgartner were united in marriage at St. Mary's Church in Genesee.

The girls' parents, Victor Hasfurther and Frances Hennen were married June 27, 1892, at the St. Mary's Catholic Church in Genesee with the Rev. Father Hartlieb officiating.

Mr. Hasfurther was born in Hasfurth, Germany, and came to America with his parents when he was just six weeks old. Frances Hennen was born at Fond de Lac, Wisconsin, and came to Genesee when she was 17 years old. Following their marriage they set up housekeeping on a farm two miles out of Genesee, where four of their children, Kate, Dora, Mayme and Martha were born.

In 1904 the Hasfurthers left the farm and moved to Genesee, settling in the house now owned by Henry Kinzer. Here Madeline and Wilfred were born. All of the children are living and in good health... a fitting and happy tribute to one of Genesee's fine pioneer families.

Financially, the carnival was also down in comparison to previous years. Therefore it will be necessary for the P. T. O. to have another fund raising project later in the year.

## Genesee, Kendrick Basketball Teams Preparing For December 1st Openers

With football season over and winter weather rapidly approaching, athletes from Genesee and Kendrick High Schools moved their activities indoors as both Ozzie Kanikkeberg of Genesee and Wayne Dust of Kendrick have been putting their 1970 teams through practice sessions in preparation for the opening of the basketball campaign, Tuesday, December 1.

The Tigers will debut before the hometown fans Dec. 1st in a contest against the Deary Mustangs. Genesee will travel to Troy that same evening as they open against Coach Glen McKie's Trojans at Troy.

Tigers Lack Height  
Coach Wayne Dust has seven lettermen back from last year's squad to form the nucleus of the 1970 Tiger Hoop team, and although he will have both speed and experience, the height is missing. Until Boyd

Candler has enough practice sessions to qualify for the team, Dust will not have a six-footer on the squad!

Lettermen returning this year are Don Parks, Doug Pratt, John Deobald, Boyd Candler, Alan Kimbley, Kim Trout and Dave Hutcheson. Moving up from the Jr. Varsity team will be Dave Wilken, Dale Taylor, Eddie Osborn, Dale Alexander and Warren Austin.

The Tigers will be hoping to improve on last year's record which saw them winning four games and losing 16 in regular season play.

Home games will begin at 6:30 with varsity games immediately following at approximately 8:00 p. m.

After the opening game at home the Tigers will meet Orofino at Orofino, Tuesday, December 8. The first league game will be at Lapwai, December 11.

### 9th Grade Team

The Freshman squad will open their season December 7 with a game at Genesee, beginning at 7:00 p. m.

The Junior High team will open at Deary, Wednesday, December 9.

The Girls' basketball season will begin Thursday, December 3, with two games against Deary at home, beginning at 6:30.

### Bulldogs Have Size

Genesee, the defending District 2, Class A3 champions open against the tough Troy Trojans, Tuesday, December 1, with a squad of six returning lettermen who will supply Coach Ozzie Kanikkeberg with one of the tallest teams in the District.

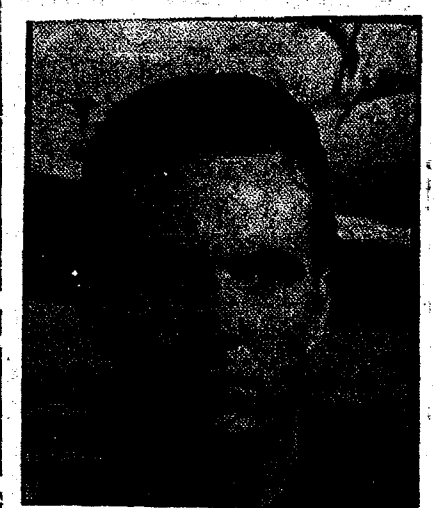

The Bulldogs will have Mike Egland back in the keyhole slot this year and Mike is pushing slightly above the 6'-5" mark. Also returning will be John Hermann and Steve Mader, each at 6'-3". Other lettermen back will be Bruce Scharnhorst, Ron Hopkins and Leroy Zenner. Rounding out the varsity team will be Alan Odenborg, Dan Zenner, Bill Schleuter, Craig Busch, Rich Green and Dean Kinzer.

As of Monday, Kanikkeberg said he planned on starting Scharnhorst, Egland, Hopkins, Hermann and Schleuter in the Troy game.

Genesee finished the regular season last year with a record of 17 wins and just three defeats. They won the district championship at Lewiston, adding three more wins and then, dropped both games in the state tourney to finish with a respectable 20 and 5 record for the year.

Genesee's first home game will be December 8 against the Lapwai Wildcats, and Coach Kanikkeberg said he expected Lapwai to be among the top teams in the district this year.

## Schupfers Return From European Vacation

Mr. and Mrs. Herman Schupfer returned on Nov. 17th, from a trip they started Oct. 21, with the intention of visiting 10 days in the home of their daughter and family, Dr. and Mrs. Robert G. Morris in Reston, Virginia.

Noticing special excursions to Europe, at the airport, they decided to extend their trip and go to Austria for a visit with Herman's relatives.

Two weeks was spent over there; the weather was excellent for this time of the year. Being a mountainous country, the scenery was exceptionally beautiful.

It was a most enjoyable trip, both in Europe and Virginia, where the fall colors are at their best at this time.

The main trip was made by plane with shorter trips in Austria by train, the service, of which, is excellent.

### Some Cooperation

There has been some cooperation in answer to the notice in the Gazette last week concerning the loose paper put out for the garbage truck pickup. There is still quite a lot of newspapers and other loose paper that is not tied, boxed or put in plastic bags.

It would keep a lot of litter off our streets if everyone would cooperate as it only takes a little bit of breeze to blow it out of the truck.

### The Cross It Lit!

The big Cross on the hill above Juliaetta was lit over the week-end — early enough to be enjoyed by everyone over Thanksgiving, and it will continue to give its glow during the Christmas holidays.

Out Of Hospital  
Mrs. Charles Noble returned home Saturday, after undergoing surgery last Wednesday at the Grifman Memorial Hospital in Moscow.

Black Ice Causes Accident  
Mrs. Tom Mabbott and son Greg escaped injury Monday morning, as the car she was driving went out of control on black ice about a half mile west of Juliaetta, on Highway 3, as she was driving toward Lewiston.

The car plunged down over the bank and out onto the flat. The car was not damaged and was pulled back onto the highway.

Other Items  
Bob Groseclose of Walla Walla visited over the week-end with his sister, Maeci Nye.

## Early Thanksgiving Dinner Honors Burt Kimbley

An early Thanksgiving dinner was held at the home of Mr. and Mrs. Lloyd Kimbley on Sunday, Nov. 15 to honor Burt who will be unable to spend Thanksgiving at home. Evening visitors were James Magee of Genesee, and Robert Kimbley, Southwick.

Mr. and Mrs. Lloyd Kimbley, David and Gary Craig took Burt to Lewiston Nov. 20th, to catch a plane for San Francisco, where he caught another plane for Clark Air Base in the Philippines to join his ship, the U.S.S. Grasp.

## First Real Cold

The first severe cold wave of the season moved into the area over the week-end and pushed the mercury down to almost the zero mark in Genesee and the higher elevations and down into the low teens in Juliaetta and Kendrick. On the hills the cold was accompanied by strong winds. Some snow fell but had melted by daylight.

Monday the roads were icy and dangerous for travel as a steady rain was freezing as it fell. The temperatures warmed up considerably during Monday night and there were even periods of sunshine Tuesday afternoon, despite warnings of another storm.

## WMC Ladies Plan Dec. 5 Food Sale

The WMC ladies of the Assembly of God Church will have a Christmas gift and food sale December 5 at Brocke's TV Store. Money that is raised will be applied to the purchase of a public address system for the church.

Also being planned is a luncheon set for December 11th at 1:00 in the church parlors. Each member is to invite a guest and bring two small gifts.

## Card of Thanks

I wish to thank every one who remembered me with so many beautiful cards, visits, and made inquiries while I was in the hospital and since returning home. Your thoughtfulness and acts of kindness helped speed my recovery.

Our attendance dropped this week. We only had twelve (12) members present at the Nov. 16 meeting. Some of the members or members of their family were sick or they just couldn't make it. For whatever the reason, we still missed everyone who didn't attend, and sorry you didn't come. We hope to see everyone there next week.

We did not have a King this week. Come on men, don't let us women show you up. Mary Reeder, our president, was Queen of the Week. She did very good this week. Her loss for the week was 3 3/4 lbs. Keep it up. Our pretty little Princess of the week was Bev Arnett. Good work, Bev. She lost a total of 3 1/4 lbs.

Susie Ricard's name was drawn from the kitty. She was unable to attend the beginning of the meeting as she was visiting her husband, Albert Ricard, also a TOPS member, who was in the hospital recovering from surgery he had undergone Monday. Hope to see you next week, Albert. Take it easy and don't bother the nurses too much. Oh, by the way, Susie attended the meeting later and received the \$1.30 in the kitty.

We had a raffle going on for a month and Mickey Warnecke was the winner. The club is going to

### Home Cookin' . .

Spaghetti and meat balls and sausage or spaghetti with sauce are both delicious and a favorite food of most everyone. So this week we are fortunate to have a family favorite recipe for Italian Spaghetti from Mrs. Frances Ferraro. The Ferraro family are new comers to Genesee and we welcome them and hope they stay! They moved here a few months ago from California and are residing on the Tom Wahl place. How about serving spaghetti, garlic bread and a green salad for supper some night real soon? Sounds good, huh.

In large sauce pan place—  
2 large cans tomato sauce  
2 large cans tomato puree

In large fry pan place 1/2 cup olive or vegetable oil. Add 1 small can tomato paste and 1/4 cup sugar and stir. (Add more sugar is needed). Add about 2 shakes of onion and garlic powder and 1/2 tsp oregano.

Grate about 1 T. Romano cheese into pan and 1/2 tsp. each of salt and pepper. Add 2 cans water and cook 10 minutes stirring until free from lumps. Pour into sauce pan with tomato sauce.

Add 1/2 green or dry green pepper, 1 1/2 inch square of Romano cheese. Add little more sugar if too sour. Fry either a piece of pork, spare ribs or pork chop until browned. Place in sauce pan.

To Make Meat Balls:  
2 or 3 lbs hamburger, with salt, pepper, onion powder, garlic powder and oregano to taste. Grate Romano cheese 2 or 3 times, 2 eggs, 1 cup cracker meal or bread crumbs. If too dry, sprinkle with a little water. Mix thoroughly. Make medium sized meat balls. Brown, place in sauce.

Brown 1 pkg. Italian sausages and add to sauce. Bring almost to a boil, then cook uncovered a while, then cover part way. Simmer 5 or 6 hours. May make a day ahead and simmer 3 hours, then finish simmering the next day. Serve with spaghetti.

This will serve a large family. Mrs. Ferrera says, with some left over for next day. She asks that anyone who finds Italian sausage in the store, to please contact her.

Mrs. Ed. (Carrie) Jutte contributed some recipes the other day that we are pleased to print. Her five-hour stew is the good old stick-to-the-ribs food, and when warmed over still keeps that

same delicious flavor.

#### FIVE HOUR STEW

3 or 5 lbs stew meat, cut in pieces  
2 or 3 cups diced carrots  
2 or 3 cups diced potatoes  
2 cups diced celery  
1 onion, chopped  
1 Tbls. tapioca  
1 Tbls. sugar  
1 cup water  
1 cup tomato soup  
Salt and pepper to taste.  
Place in roaster and bake 5 hours at 225 or 250 degrees.

Cookies—always the all-time favorite food of young and old alike, and for a happy contented family always keep a well-filled cookie jar. Cookies, packed in pretty colored boxes, make excellent Christmas gifts. So try Mrs. Jutte's cookie recipes and on Christmas give a few boxes of the delicious little goodies to friends and neighbors. You'll feel much better by sharing.

#### CARROT COOKIES

1/2 cup shortening  
3/4 cup sugar  
1 cup cooked, mashed carrots  
1 unbeaten egg  
1 teaspoon vanilla. Mix thoroughly.

Add—  
2 cups sifted flour to which has been added 2 teaspoons baking powder and 1/2 teaspoon salt. Drop on greased cookie sheet and bake.

Icing: While still warm spread on the following:

1 cup confectioners sugar  
1/2 cup orange juice  
Rind of one orange  
1 teaspoon butter, blended well.

#### DATE FILLED COOKIES

Blend: 1 cup shortening  
1 cup brown sugar  
2 eggs  
1/2 cup hot water  
1 teaspoon vanilla  
Add 3/4 cup sifted flour to which has been added

1 teaspoon salt  
1 teaspoon soda  
1/2 teaspoon cinnamon

Drop by teaspoonfuls on cookie sheet. Make indentation and fill with following:

At The Washington Water Power Company, we share the concern of those who want their communities to grow and prosper in an environment that is wholesome and pleasant. This philosophy has always guided WWP practices.

Providing the essential electricity and natural gas is our special job at WWP; it's also our job, along with everyone else, to protect and maintain the environment in which we live.

While in the area of the National Bison Range they saw a number of buffalo, elk, deer, antelope and long-horn cattle. They also saw St. Ignatius Mission and toured the Flathead Lake area.

Mrs. Perryman reported 6 below zero temperatures on Saturday night. The roads coming home were very hazardous, with black ice, rain and snow most of the way.

Driving in cool weather brings a special hazard—closed windows, reminds the Idaho State Police. Is the exhaust system on your car sound, or is it leaking deadly fumes into the car?
